## PROFILE

A results-oriented Frontend Developer with a proven track record of delivering high-quality, user-centric web applications. I am proficient in JavaScript, Typescript, React.js, Angular.js, HTML, CSS, Git, and GitHub. Also, I am skilled in iconic and stencil.js for mobile application development. I excel at collaborative development and am committed to continuous learning to ensure industry trends and the delivery of innovative solutions.

## EMPLOYMENT HISTORY

**Frontend Software Developer (Industrial Training), SysServe Solution Limited**          Lagos

Oct 2023 — Present

- Built an intuitive user interface using React.js and Redux that improved user satisfaction by 100%.
- Created a reusable component library for the web application using Angular Material, resulting in faster development time for new features.
- Incorporated third-party APIs into the web application for data exchange and real-time updates
- Developed a modular, single-page web application in Angular that incorporated responsive design principles
- Created custom directives to manipulate DOM elements and extend the functionality of components
- Developed custom services to manage application state and communicate with back-end APIs
- Utilized Firebase to store and retrieve data, resulting in improved app performance and reliability.

**Frontend Software Developer (Intern), ShareFood AI**          Lagos

Aug 2023 — Present

- Worked as a productive and positive team member to design, code, test, report, and debug operations.
- Successfully identified, diagnosed, and fixed website problems, including broken links, typographical errors, and formatting issues.
- Helped to achieve a consistent look and visual theme across the website by promoting uniform fonts, formatting, images, and layout.
- Worked to assess competing websites regarding content, look, and feel.
- Evaluated and became knowledgeable in new standards, technologies, and trends in website development.

## EDUCATION

**Bachelor of Technology Computer Engineering, Ladoke Akintola University of Technology**          Ogbomosho, Oyo State

Sep 2019 — Present
